

The Mentoring Program 2010-2011

The mentoring program will pair STC members with UCF students in the technical communication program and other related fields based on their stated goals and particular areas of expertise. The mission of the mentoring program is to provide a structured approach by which mentors from the Orlando Chapter provide one-on-one assistance to student mentees, helping them establish themselves successfully as technical communicators. The program will span two semesters.

Chapter Benefits

- Strengthen the local technical communication community
- Stabilize student STC and FTC membership
- Attract mentees as potential long-term STC members after graduation
- Generate positive word-of-mouth advertisement for the chapter and FTC
- Promote STC as a professional networking society and FTC as an SGA-sponsored organization
- Help the chapter execute educational outreach initiatives at the high school and college level
- Strengthen and expand the relationship between UCF and STC
- Increase attendance at STC chapter meetings.
- Identify and develop potential new chapter leaders.

Mentor Benefits

- Gain personal satisfaction from helping others discover their potential
- Enhance coaching, feedback, and leadership skills
- Gain exposure to new perspectives from the mentee
- Expand professional networks

Mentee Benefits

- Develop networks
- Receive career guidance
- Increase their visibility
- Learn to adapt to changing professional and organizational circumstances
- Develop or enhance skills needed to move forward in their careers
