The Melissa Pellegrin Memorial Scholarship Fund

In Memory of Melissa Pellegrin

The Melissa Pellegrin Memorial Scholarship Fund was founded to honor and preserve the memory and generous spirit of a valued friend and professional colleague, Melissa Pellegrin. She was a 1994 graduate of the University of Central Florida (UCF) and a member of the STC's Orlando Chapter. Melissa was an exceptional student who earned an Orlando Chapter undergraduate scholarship. After graduation, she served on the Orlando Chapter's Education Committee.

Melissa's commitment to excellence was evident in the quality of her academic and professional work. She shared her enthusiasm in many ways, including professional presentations at STC conferences and meetings. She was employed as a technical communicator with The Technical Resource Connection, Inc., in Tampa, until her untimely death in April 1997.

The Memorial Scholarship Dedication

The Melissa Pellegrin Memorial Scholarship Fund was officially dedicated on October 3, 1997, at the *Trends'97* Conference, hosted by the Orlando Chapter of the STC. The fund provides scholarships and awards to selected outstanding undergraduate and graduate students of technical writing at UCF.

Each year at the Orlando STC *Trends* Conference or other appropriate forum, students are presented with certificates and checks from the scholarship fund, and their names are added to a permanent plaque displayed at UCF.

The Fund Needs Financial Support

To continue promoting academic growth and excellence among students of technical writing, the STC Orlando Chapter has committed long-term capital investment to maintain and expand the Melissa Pellegrin Memorial Scholarship Fund as a self-sustaining endowment. We need your help and financial commitment. Your tax-deductible contribution will help ensure that STC's goals for academic excellence and mentoring in education are met.
